The screenshot shows the ISTQB website. At the top, there is a purple banner with the text "Screenshots Key Features Press". Below this is the ISTQB logo and a group photo of several people. A navigation menu is visible with links: Home, About us, ISTQB® Worldwide, Certification, Exams, Get Involved, News, Special Initiatives, Downloads, and References. A search bar and social media links (Facebook, Twitter, LinkedIn) are also present. A prominent red-bordered box highlights a "COVID-19 Message" section, which states that ISTQB has announced the prolongation of Remote Proctoring for exams until the end of 2021. To the right of the message, there are two sidebar widgets: "Successful Candidate Register" and "ISTQB® Effectiveness survey 2019-20". The "Successful Candidate Register" widget includes a link to "Learn more about ISTQB® SCR or use it to validate a certificate!". The "ISTQB® Effectiveness survey 2019-20" widget includes a link to "More survey results" and a graphic showing a survey form with checkboxes for "Excellent", "Good", "Average", and "Poor". Below these widgets is a "News" section.
